Circular dated 28th May 1954.

To.

(1) All Heads of Departments (State), Deputy Commissioners of Districts, and Superintending Engineers.

(2) District and Taluk Treasury Officers in the State.

Sir,

Subject:—Abolition of pre-audit in respect of claimes relating to House-Building, Motor-Cycle and Bicycle advances sanctioned to Non-gazetted Officers.

No. 307—DHI 8-5. A reference is invited to articles 291 (VII), 294 (13) and Note thereunder and 298 (8) of the Mysore Financial Code Vol. I, as amended by correction slips Nos. 7,10 and 11 respectively. Consequent on the abolition of pre-audit by this office of claims relating to advances sanctioned by any authority other than Government, the following instructions are issued for information and guidance.

(1) Heads of Departments and other officers to whom powers have been delegated may sanction these advances and payment on account of these advances may be drawn *direct* from the Treasury, provided (*a*) the sanctions are in strict compliance with the relevant provisions of the Mysore Financial Code Vol. I and (*b*) the financial limit prescribed by Government in their annual distribution statement is adhered to.

(2) Copies of sanctions to advances and of the forms of application should be sent to this office promptly. The sanctioning authority should ensure that all the columns in the application form are filled up.

(3) Each claim for an advance should be signed or countersigned, as the case may be, by the sanctioning authority, the amount sanctioned being written both in words and in figures. The allotment for the year and the expenditure including the claim preferred should be noted prominently in the bill.

(4) Case where a second or subsequent advance is applied for, would require a reference to this office in order to ensure that the previous advance has been fully adjusted.

(5) Claims relating to (*a*) advances not preferred within six months from the date of sanction and (*b*) advances sanctioned by Government would require pre-audit by this office before payment.

(6) In view of the time that would necessarily elapse between the date of encashment of the bills and the date of their receipt in this office it may not be possible for this office to despatch the memo intimating the rate of recovery of Principal and Interest to your office in time for effecting recovery from the next pay bill of the Government servant concerned. In such case, recoveries towards Principal only may be effected on the due dates at the prescribed rates, the recoveries towards interest being effected in the subsequent bills on receipt of the intimation from this office.

(7) Suitable instructions may please be issued to the drawing officers under your control.

Yours faithfully,
